
THE OFFICIAL VOLKSWAGEN OWNER'S CLUB MAGAZINE

VOLKSVOICE

Dec 2014 Jan, Feb 2015

www.vwownersclub.co.nz

Hi Volks, welcome to another issue of Volksvoice, the last for 2014 Yes, Xmas is just a matter of a few weeks away and then we will be into 2015 ! I don't know about you but time does seem to fly nowadays and judging by the displays in shops like the Warehouse Xmas seems to come earlier as well...I'm sure I saw Xmas displays there in October ! I guess it gives us all more time to spend on Xmas shopping, although the fun does wear off pretty quickly! A big welcome to our new members, hopefully we will see you at some of our many events that we are going to have over the next year.

The months since the last Magazine came out have been extremely busy, not just because of the usual Xmas buildup but also because of all the VW related activities that were on offer.

First off the rank, for me anyway, was our annual Spring Jamboree, again held at the Watene reserve on Tamaki Drive, on Sunday 19th October. The weather on the Saturday was absolute Bollocks and we didn't hold out much hope for the Sunday but hey, somebody up there owns a VW and Sunday turned out to be sunny and warm ! This brought out the punters and we had well over 100 cars turn up, both air and water-cooled ... it's always good to see the water boys turn up, we are all VW fans after all !

As usual Ken O'Halloran got the BBQ up and running and some of the others went off and did some judging...no mean feat as there are usually a good number of really nice cars on display. Cars that caught my eye was a NZ new 1963 Karmann Ghia that the owner had just finished restoring, a recent "barn find" split Kombi that had only done 35,000 miles and a nice yellow 914, a model for which I have always had a passion ! The event attracted a lot of interest from the passing traffic which is one of the reasons why this is such a good site! A most enjoyable afternoon! Thanks to Terry Sawyer for organizing this event.

Next up was the annual VW Bulli weekend, this time held at the Raetihi Holiday Park on the 7th-9th November. Raetihi is an old town in the middle of the North Island, close to Ohakune and National Park. Judging by some of the grand old buildings in the town Raetihi obviously has a history but today it is a fairly quiet place with only a couple of shops and take-aways. However that's what you want for a Bulli... somewhere away from the maddening crowd !

The Holiday Park was fairly small and luckily we didn't have more than about 30 odd vehicles turn up as it was pretty full. The Manager and his family were very helpful and seemed to enjoy having us there. The weather for the whole weekend (which started Friday morning for many of us) was fantastic, hardly a cloud in the sky and the views to the mountains were stunning... all covered in snow even in mid November ! Needless to say it got cold as the sun went down (somebody said 1 degree over night) but we had a good outdoor fire going so it wasn't a problem and the Kombi was nice and cozy, albeit aided by two sleeping bags ! Those sleeping in a tent were a bit colder !

The nice weather gave everybody lots of opportunity to do some sightseeing, with some going up the mountain to play in the snow, some going to nearby Horopito for a look at "Smash Palace" and some just taking it easy, which is what Bulli is all about ! Many of us went for our morning coffee fix to the Kombi Coffee Café in Ohakune, where an enterprising VW enthusiast has a split Kombi parked in Ohakune over winter offering delicious coffee for those on the go as well as a more relaxing "too cool" coffee shop with a T2 Westy parked inside the Café along with comfortable old lounge chairs and an array of reading material to relax with over a coffee! Was so good that we had to return the next day !

Spent a few hours at Horopito, so many cars to see, including unusual ones such as a 1950's Skoda Felicia, a 1960's Trekka, a nice Mercedes roundie that someone should salvage, a couple of Mercedes finnies from the early sixties etc, in fact a good representation of everything that was running round the streets of NZ in the middle of the last century ! My return journey on Sunday afternoon was via the National Park to Turangi road, a beautiful clear day with mountain scenery to kill for... too good an opportunity to miss! I've said it before and I'll say it again... every Bulli is an opportunity to see something great in NZ.. Thanks to Brian Goodhue from Taranaki for selecting this spot and talking to the VW owner about the weather !

Next event I hope to go on will be the annual Raglan run which is always a good way to give your old classic a run, and hopefully the VW owner in the sky will take part ! Put it in your diary Volks, it's always a good day !

At the beginning of August, I, along with a couple of other Auckland VW enthusiasts had the opportunity to go to the VW Spectacular in Australia. This show is held at Nambucca Heads on the northern NSW coast and this year it was the 20th anniversary show so it was treated as a special year with a week long list of activities to enjoy / take part in. Headquarters for the event was the Valla Beach Tourist Park which, as well as having lots of room for campers, also has great facilities like a huge bar/dining/conference building and this was open all day everyday with a manned restaurant kitchen offering great meals every night ... the drinks and the food were sold at reasonable prices too.... So every night you could sit in this facility with your VW friends and have a good time !

The actual show itself is on the Saturday/Sunday but for the days before that the organizers had organized a variety of events which included lots of scenic cruises and photoshoots and a day of track racing and drag racing. Some of the scenic runs ended up in some real great small Aussie towns in the back blocks, each of which had it's own surprises and delights. One small town, Bellingen, surprised me in that it had a great tree lined main street with cafes etc on it, including a Swiss Konditorei which had real yummy tasting European cakes; another was Dorrigo which had a huge typical Aussie verandah Pub on the corner on the main street... good for a cool beer in the warm weather we were having ! I started chatting to an old fella outside a motorbike repair shop and discovered that he was into classic cars as well... Mercedes no less and he then rattled off all the Mercedes classics that he owned... and to prove it he took me into the bike shop and out the back where there were a couple of the Mercs... turned out that he was the owner of the place and had lived in this town all his life !

Another attraction of Dorrigo was the Railways Museum... and what a museum it is! They had at least one of everything that ever ran on Aussie Rail and had over 75 locomotives and hundreds and hundreds of carriages etc. It's a voluntary group and most of the stuff needs restoring to one degree or another but hey .. they are working on it !

On the Saturday the town of Nambucca Heads closes off the main street and all the VW's drive into town convoy style and park 5 across in the main street... this year there were close on 600 vehicles parked there... what a sight... what variety... mostly aircooled and everything from stock beetles thru to off-road T2 Kombis and T1 drag racers ! Lots of Kombis, T1, 2 and 3's with some very nice restored models and some just very nice original models, as well as the rat look etc; quite a few Type 3's as well, so there should be, they sold a few over there. After lunch we headed back to the camp where a swap meet had started up... not as exciting as I thought it would be but I think most of the good stuff had already been traded long before the swapmeet had started !

There was a good selection of dealers as well, including the likes of Just Kampers. I got talking to a Chinese guy from the UK who makes quality repro bits for Westy Campers... all those little bits you thought you could no longer buy. He also makes the original curtain/seat material used in the Bay window westys, something that was previously unavailable... he has a factory in China making most of the stuff... fascinating. Saturday night there was a special dinner with an auction of donated VW goods so that was quite good too.

Sunday is Show and Shine day and the sight of 600 VW's on display is something else. A special event for this years show was the "Barndoor muster", the aim of which was to try and break the record for the most right hand drive Barndoor Kombis at one meeting... I think about 19 turned up, some waiting for that yet to come restoration and others already done. What a grand sight seeing all those barndoors together, all models too, from 23 window deluxe, Kombi, pick-up and panel van. A couple of them were ex NZ too... another special event was the 50th anniversary of the Beach Buggy (Yes ! it all started in 1964 with Mr Meyers !) so there was a large display of those too. Mid afternoon and they did the prize giving and then it was all over bar the shouting ! Did I enjoy myself? Too right! Would I go again? Yes but maybe leave it for a few years !

Do a google search on VW Spectacular 2014 if you want to get a real look.

Well, that's it for me, enjoy your VW's, they need to be driven! Hopefully see you at one of our events or club meets. Finally I wish you all the best for the Festive season, relax and enjoy the time with your families (and that includes the VW's !). Yours in VW Kombis,
Knut Erbs

PRESIDENTS REPORT

Greeting to all.

About 8 members met Autobahn and convoyed down to the Te Aroha cruise in. On display in the main street were a large collection of old and restored vehicles. It was a joy to wander amongst them. Although it was showery and sunny it was an interesting day bringing back many memories of days gone by.

The annual Spring Jamboree show and shine was held at the Watene Reserve and was very well attended with some 100 or so vehicles on show. Weather wise it was a hot sunny day. Like me I am sure an enjoyable time was had by all. Many thanks to Terry for organising this with the council, John and Ken for running the BBQ.

Bulli for 2014 was held at Raetihi, hosted by the Taranaki club. Although I did not attend, a number of club members made the effort to go. By all accounts a good time was had by all.

I organised a Mystery Tour of South Auckland on 23 November. Some 8 members and partners left Autobahn 10 am. After a 2 hour drive through the country, arrived at Kaiaua for a picnic lunch stop. We then continued on through more South Auckland country.

Many stopped at Kawakawa Bay for a ice cream, finally ending up at Totara Park for prize giving. An enjoyable day was had by all on a lovely sunny day.

Many thanks to all for your support.
Eddie Taylor

4 October, Saturday - Aroha Cruise In - Show and Shine.

After meeting early at Papakura Autobarn on the Southern Motorway, the Auckland contingent set off and joined with the Hamilton and Tauranga VW members and at Te Aroha where they were parked as a group in a prime position in the Te Aroha main street.

Another fantastic weekend of Cars, bikes, prizes, rock and roll, live music, stalls, bouncy castles, V8 simulators, poker run, face painting - in fact, fun for all ages.

The weekend is all about cars, bikes, Te Aroha and raising funds for some very deserving groups including the Te Aroha Fire Brigade and St Johns ambulance. This was the 7th Aroha Cruise In organized by the Te Aroha Business Association with proceeds going back into the community.

19th October, Sunday- Spring Jamboree Show and Shine

Another successful Spring Jamboree Show and Shine event held at Watene Reserve on the Auckland Waterfront. Approximately a 100 cars (and Trikes) were in attendance with a good blend of Water and Air-cooled

Bridge to Nowhere Tours

23 November, Sunday - Southern Sights Mystery Tour

A small but enthusiastic group enjoyed a scenic tour of the South Auckland countryside, departing from Papakura Autobahn on the Southern Motorway and taking in Ramarama, Ararumi, Paerata and Mangatawhiri, stopping at Kaiaua for lunch

Then returned via Kawakawa Bay and Clevedon, finishing at Totara Park, Manurewa.

Thanks to Club President Eddie Taylor for his efforts preparing the itinerary

COMING EVENTS

Club Nights We meet on the second Wednesday each month at the Vintage Car Club rooms, 39 Fairfax Avenue, Penrose from 7:00pm. Come along for an hour or two of socialising with fellow VW enthusiasts to share your ideas on club outings and activities, ask advice and swap yarns. Free Coffee, Tea and Biscuits provided, new members welcome to attend.

Keep an eye on the VWOC web site for updates to these events

<http://www.vwownersclub.co.nz/index.php>

7th December, Sunday- Annual Raglan Run

Bring a picnic lunch and full tank of petrol to join with us in the annual Raglan Run.

Meet at the Papakura Autobahn on the Southern Motorway at 9:00am. We will leave the Autobahn at 9:45am to convoy down to Hamilton, meeting up with the Bay of Plenty and Waikato VW Clubs at McDonalds, Greenwood Street, Frankton at 11:00am.

From there we will have a combined convoy out to Raglan for a picnic lunch and browse around the shops.

21 December, Sunday - Club Run and Christmas BBQ.

We are still confirming details but keep this afternoon free for a short cruise around Auckland City, followed by a BBQ.

Keep an eye on the VWOC web site for updates to these events [http://](http://www.vwownersclub.co.nz/index.php)

www.vwownersclub.co.nz/index.php

7th February, Saturday- Classic Car Tour d'Elegance

Keep this date free for the annual Tour d'Elegance that is held in conjunction with the Ellerslie NZ Classic Car Show. Details will be published as soon as they come to hand.

8th February, Sunday- 42nd NZ Classic Car Show - Ellerslie

On Sunday 08 February 2015 some 750 owners from over 70 classic car clubs will gather at Ellerslie Race Course to share their enthusiasm, promote their clubs, and celebrate motoring as we knew it over the decades. This year the club display theme is "the BIG screen" - and the cars that appeared on it as props, part of the scenery, story or action. While actors may have had leading roles in most movies or TV series, it's the cars that are the stars for our 42nd show.

8th February, Sunday- 42nd NZ Classic Car Show - Ellerslie (cont.)

Introduced last year, the "Survivor" class allows more classic car owners to compete for awards without the sometimes eye-watering and impractical cost and time associated with restoring a vehicle. There's a higher emphasis on age, originality and history than the other classes. Qualifying vehicles will be well cared for, unrestored, unmodified, in original condition and well preserved with patina and nostalgic qualities. Low mileage will be an advantage, as will a small number of previous owners, original paint and upholstery.

<http://www.concours.org.nz/>

28 February - 1 March — Bug Jam 15

Hosted by the DMFV66 crew this event follows on from the hugely successful Bug Jam this year. This time hosted at the North Harbour Country Club. More details on the poster on the following pages

2nd - 6th April 2015 — VW Nationals Taupo

Every year Volkswagen enthusiasts in New Zealand get together on Easter weekend for an event called the Volkswagen Nationals. Next year, from the 2nd to 6th of April 2015 the Volkswagen Nationals will be held in Taupo.

The 2015 VW Nationals is that it will be the 25th year that the Volkswagen Nationals have been running in New Zealand. To make the 25th Nationals a special event, the organising committee from the Bay of Plenty Volkswagen Owners club are taking the Nationals back to the original site of the first Nationals that was held in Taupo.

The 2015 Nationals will be 1 day longer than previous years to make full use of the facilities and activities that are on offer in Taupo.

Easter is also the first weekend of the school holidays, so it's a good opportunity as a family break. <http://www.vwnationals2015.co.nz/>

1974 VW Westfalia Camper:

Originally from Luxembourg and first registered in 1974, this is a 1975 model year LHD SO73 Westfalia (with the rear hinged top) in fantastic original condition. The SO73 is arguably the best layout, having a full width bed and walk through kitchen area.

The van was moved to the UK in 2006 and was garaged and only driven in the summer by the then owners. We bought the van in 2009 whilst we were living in London. When we moved here to New Zealand in 2011, we shipped 'Custard' down here too. It has been garage kept in the winters and used for camping trips with our kids in the summers. As we are now relocating it would be too difficult to move it with us so sadly we have to sell.

If you have looked around New Zealand you will know that this is a fantastic van and in great condition, and it really is a rare one in our opinion. The interior is original and unmodified with the exception of the two front seats and is near to immaculate throughout. We would like to see 'Custard' go to someone who appreciates her.

We have extensive records of the work done on the van over the years, including split charging system and new leisure battery, tyres, roof canvas and seals, rear seatbelts, push rod tubes and seals, engine oil seals, and various bits of bodywork to keep rust at bay! It has been expertly serviced by Motor Works Group here in New Zealand.

This is a rare opportunity to buy a very original van in great shape and a solid history. The van is in central Auckland so please get in touch if you'd like to see it. If you're not local I'm happy to send photos and answer any questions.

Price \$26,500
